Blue Skies Ahead...

## Introducing the Azure Tapered Bone Level Implant System

Blue skies stretch as far as the horizon when you expand your practice options with the Azure Tapered Bone Level (TBL) Implant.

Offering Customers:

- **A popular, time-tested implant design** – Now from ZimVie
- **Backed by quality and service you know and can trust** – Designed and milled with the highest engineering and manufacturing standards
- **A cost-efficient price point** – Grow your practice and tailor treatment plans to specific patient financial demographics
- **Soaring to new heights in Guided Surgery** – Gain clinical confidence to create aesthetic results from the Azure TBL Guided Surgical Kit for fully-guided implant placement with two prolongations and guide sleeve diameter options
